Smith and Tegio ? Lost Chord Guitars

Lost Chord Guitars

1576 Copenhagen Drive

Solvang, CA 93463

08:00 PM - 11:30 PM PST

Smith & Tegio is a duo featuring vocalists and acoustic guitarists Austin Smith and Mark Tegio. While these two singer songwriters and long time friends are both San Diego natives, they have been living in the San Francisco Bay Area for the past several years now. Mostly passing those years sitting at a kitchen table littered with beer cans and a dirty ashtray either writing, learning, or playing songs together. It was at those tables that Smith & Tegio's amalgam of outlaw country and folk music was born. It's the inevitable result of a bad case of wanderlust from a head full of Merle Haggard and Waylon Jennings, and a heart full of Townes Van Zandt and Blaze Foley that doesn't know whether to laugh or cry. Still, they do not fit neatly into either genre, but instead have created their own blend of the two: Outlaw folk. Smith & Tegio just released their self-titled debut album earlier this year. Throughout the album there are subtle nods to the duo's outlaw country and folk influences.

Arwen Lewis ? Lost Chord Guitars

Lost Chord Guitars

1576 Copenhagen Drive

Solvang, CA 93463

07:30 PM - 09:30 PM PST

Arwen Lewis is a Singer/Songwriter and Guitarist from California. Her introduction to the music business was her debut album, Arwen, an offer of her own impassioned interpretation that's quite literally in her DNA. The daughter of Moby Grape founding Member Peter Lewis (and granddaughter of Oscar- and Emmy Award winning actress Loretta Young), Arwen took on a selection of the legendary San Francisco band's songs and revamped their psychedelia tinged brand of rock music for a whole new era.

Built on her raw but graceful guitar work and gorgeously soulful vocals, the result is a blend of melody-laced folk, gritty blues, and powerfully charged rock and roll that feels both timeless and undeniably of-the-moment.

To create the album, Arwen worked in close collaboration with her father and Academy Award-winning, Grammy Award-nominated producer John DeNicola. Arwen puts a new spin on Moby Grapes multi-vocalist approach by placing Arwen as lead singer on each track.

"Arwen's a child of the San Francisco sound, and she's got an ease of delivery that lets that sound flow through her in a way that just feels completely fresh," DeNicola points out.

Arwen currently performs solo, singing and playing acoustic guitar, sharing her original songs as well as some classic covers, and identifies as an Americana artist. She also plays regularly with her father and bandmate George Adrian in an acoustic trio, featuring Moby Grape and original material written by the three of them.

PCPA Sound of Music Play

Marian Theater

800 S College Drive

Santa Maria, CA 9354

Various times, see PCPA website for more info

When problematic postulant, Maria, proves too high-spirited for the religious life, she is dispatched to serve as governess for the seven children of a widowed naval Captain. Her hard-won rapport with the youngsters, and her generosity of spirit, gradually soften the sternness of the broken-hearted Captain. With love in the air, but war on the horizon, the family find their Austrian homeland occupied by Nazi forces who demand submission and service. Inspired by the true story of the Von Trapp family, and their daring escape over the mountains to Switzerland, The Sound of Music remains one of the most inspirational and beloved musicals of all time.
